

CROSSING THE VALLEY OF DEATH

Finding investors, avoiding the “no” and getting in shape for funding

WHEN

Monday, May 6th at 19:00

WHERE

UP Co-Working
Level 8, No. 1 Luong Yen Street, Hai Ba Trung District, Hanoi

Come join us for a presentation on how to cross the seed stage funding “Valley of Death” in conjunction with Vietnam Silicon Valley and Hatch Accelerator.

Raising startup funding outside of Silicon Valley is a long-term, time-consuming and often unsuccessful grind. Longtime investor Derek Footer of ExtraVallis will speak about the fundraising Valley of Death that growth stage pre-revenue startups face. He will give tips on how to connect with investors, what to avoid to avoid an investor “no” and how to best present your company. After speaking he will answer any questions.

19:00-19:30 Reception and networking
